2017

Spring kick off 2017. Thank you to the Gospel Riders for a great weekend in the Shenandoah Valley area in nearby Front Royal, Virginia. If you have never been there, plan a trip. It is a wonderful area to see what He has created for us to see and enjoy.

We had teams from Michigan, Kentucky, and Pa. What a good sized group. Friday started with everyone's arrival at the Quality Inn in Front Royal. After a brief rest, we saddled up again and headed for the Skyline drive. A nice leisurely ride through the Blue Ridge Mountains. This 106 mile roadway is part of the Shenandoah National Park. We drove about 30 miles on the Skyline until we reached the tunnel, along with a few stops to enjoy the view. After we turned around, we stopped by a visitor center/gift shop. While there, we spoke with several hikers who were hiking the Appalachian Trail. What an interesting bunch. They reminded us of a large family, meeting each other on the trail and traveling with each other from time to time. After some prayer time with them, asking God to watch over them and keep them safe, we headed back out onto the roadway. Since we were all able to ride, we made a stop by the grocery store to pick up fixin's for supper. What a good way to have dinner. Jean did a bang up job setting up our dinner. We had use of a large banquet room, which we set up to our liking. Team work at its finest. Following a good meal and fellowship just as good, we headed out for some ice cream to a very busy little shop just down the road. Once again, a chance to sit and talk, not only with ourselves, but other folks enjoying an evening of ice cream, milkshakes, and malts. We all headed back to the Motel and retired for the night.

Saturday morning started with a breakfast blessing offered by Vern Hawkins. After we ate our breakfast, we saddled up once again and headed for the Skyline Dr. We stopped at the first pull off area and listened to a wonderful service given by Vern. We had a short communion service and took part in receiving the body and blood of Christ. After this we sang the hymn "Jesus paid it all" courtesy of Chuck and his phone and bike. Following a short discussion, he was able to find the song "God Bless the USA". Even the folks that were there enjoying the same view we were enjoying, cheered and clapped at the end. Several people came up to us and were curious as to what we were doing. Vehicles that did not stop there saw that we were listening to a message and blew their horns and waved in agreement. Following our service, we stopped a short distance up the road at another visitor center. While there, Billy Rose took the opportunity to talk to and pray for another group of hikers offering them protection and guidance. Most of us had the availability to speak to other visitors explaining what we are all about. As we left and worked our way back to the hotel, there were no plans. This allowed us all some time to explore Front Royal. There were all kinds of places to visit. Some rode through the countryside, while others walked about town, a town full of history. From an old fashioned general store to a feed mill repurposed as a 2 story restaurant. After our down time, we met in the banquet room once again and had a "meet the board" session. Thank you to the participating board members. Some good information was shared with everyone in attendance. One of the most rewarding times came on Saturday evening. As we got ourselves set up

for Saturday night dinner, which was provided by local caterer " Po Green bar b q. We realized how much extra food we had. We in turn invited several local residents to come up to and have dinner with us. After sitting and listening to their "story" they were offered prayer. Each one of them accepted and also helped to offer blessings to our other guests. We wish them all good luck, and hope they can get what God has in store for them. What a wonderful added addition to our Saturday evening.

Following the excellent meal, we were blessed to have Bob Milne, a long time friend of Fred and MJM on site to offer his insights into the Bible and some of its meaning. After this enlightening talk, he opened up the floor to questions. What followed was a very interesting discussion about the Bible and how it is interpreted by everyone and how different they can be.

What an eye opening experience. If you are ever given the chance to hear Bob, please do not pass it up. Go hear him. If my memory serves me well, any time you happen to be in Manassas, Va look him up. We ended the evening by walking across town and enjoying some type of dessert made from ice cream. While waiting in line, we met several young people from the local youth group. That were out and about enjoying their hometown on a Saturday evening. What a refreshing site. With full stomachs and following another unplanned discussion about the Bible, we all headed back to the hotel for a nite of rest. As we all settled in, there were plenty of things to think about and thank God for.

Sunday morning was the final day of the spring kick off. Once again, the hotel had breakfast available. We all enjoyed the food available. As the Gospel Riders were thanked for their hard work, most of us realized how rejuvenating the weekend was. From all of the wonderful speakers we listened to, to the stories we had the pleasure of hearing, to the blessings that were offered to folks that were strangers at one time but no more, this was a weekend full of renewal and re dedication of ourselves in our ministry duties. Plans are in the works for the upcoming several spring kick offs.

It is with great sadness and joy to inform our membership that Dave Plant of NH has gone to be with Father. Dave was a Lifetime member of MJM and a member of CMA. Dave is a well know man of God in the NE part of NY. He has offered thousands of Christians to use his property during Laconia Bike Week. Stay a day or stay the week we were always welcome and taken very good care of. Dave was a personal friend and Brother in Christ I will miss that witty comeback he always hit you with.

Here is Dave's Obit for those that knew him and those who are interested in learning about this wonderful man of Christ.

Today's Daily Bread... God's Paint Brush

When we think about this, there is no greater artist than God period. If you don't see his beauty everywhere you go then you are not looking. Granted we see most of his beauty outside both day and night, what an awesome artist Father is. We also see it while indoors to, again if we are looking. It is when we choose not to look we will not see it.

When we start to take things for granted we will not see God's artistry. Geri and I have been blessed to live in the Adirondack Mountains. We just love to look at the clouds through the tree borderlines while driving back and forth in any direction. You see we look for Father's artistry, when He created earth and then put the finishing touches to it with the Great Flood.

Time once again to get into God's Word.

Genesis 1:1 (KJV)
In the beginning God created the heaven and the earth.

Genesis 1:31 (KJV)
And God saw every thing that he had made, and, behold, [it was] very good. And the evening and the morning were the sixth day.

Psalms 23:2 (KJV)

2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

Psalms 33:5 KJV)

He loveth righteousness and judgment: the earth is full of the goodness of the LORD.

Psalms 50:2 (KJV)

Out of Zion, the perfection of beauty, God hath shined.

Ecclesiastes 3:11 (KJV)

He hath made every [thing] beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.

Psalms 8:3 (KJV)

3 When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained;

Luke 12:27 (KJV)

27 Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these.

Giving God All The Glory...

The Basket Case

I don't know if they use this term anymore, "basket case". It used to refer to a bike that was totally taken apart and you bought it as is, usually with many of the parts being in metal milk crates. The ones used by the old time "milk man" who used them to bring bottles of milk to your door. Then you would have to re-build the bike from the ground up.

This term came to my mind when thinking of our Lords re-building of us after we become born-again. Maybe it's not the same for all but it seems when I took the plunge, became committed to the Lord and born-again, there was and is so much re-building to be done. In my case I've taken 40 plus years to do my own destructive "building" of my life. Now it's the Lord's turn.

Thank You Heavenly Father for the re-building you are doing in my life.....
