All Our Dumbness

William Tennent was known for his eloquent preaching. One day, he worked hard to prepare a sermon that would win over a well-known unbeliever to God. When the time came to deliver it, he became so confused that he couldn't speak. Feeling dumb, he just stopped and closed the service with a prayer. In the past, the unbeliever had been amazed with the power of his eloquence. This astonishing failure led him to the conclusion that on other times, Tennent had to have been aided by divine power. As a result of this realization, he accepted the Lord. Afterwards, Tennent reflected that his dumbest sermon was the most profitable he'd ever preached. You may have also done dumb things in life that you regret. But God can and will use those dumb things for His purposes. Our faith isn't based on our wisdom, but on His. Don't live in regret. Take all the dumb things you've ever done in your life and lift them up to God. Ask Him to use them for His redemption. Then leave them in His hands and trust Him, because anything less is just plain dumb.

ANOTHER WAY

Was reading recently of a news anchorman for a major network, and his back and forth with this young man should be a reminder and a wakeup call for all followers of The Way. Seems he was reporting on a gang shooting from the scene. He was interviewing this gang member from the area and asked him, "Have you ever thought about living another way; getting out of this cycle of violence?"

Here was the answer he received, "How can you think about another way to live when you've never seen another way to live?"

How many people are stuck in the rut of living a lifestyle because they have never laid eyes on or experienced an alternative. If their friends, people in their sphere of life, perhaps even their parents are a certain way and they see no other, what can we expect?

But we can show a better way. As followers of Jesus, we are a living alternative, a flesh and blood demo of The Way to be; a way to treat people, a way to handle hardship and stress, an alternative to the lies, corruption, violence and hatefulness of this world. As the stars in the sky were the guiding lights in days of old, we are God's guiding stars for people that see and take notice.

As it says in Philippians 2:14-16 (CJB);

Do everything without grumbling or arguing, so that you may be blameless and pure children of God, without defect in the midst of a twisted and perverted generation, among whom you shine like stars in the sky, as you hold on to the Word of Life.

*Always looking up,
gt*

30th MJM SKO
At Flight 93 Memorial and Quecreek Mine
Flight 93

On Tuesday morning, September 11, 2001, the U.S. came under attack when four commercial airliners were hijacked and used to strike targets on the ground. Nearly 3,000 people tragically lost their lives. Because of the actions of the 40 passengers and crew aboard one of the planes, Flight 93, the attack on the U.S. Capitol was thwarted. With the new visitors center this is an emotional experience. This is all free to the public.

Quecreek Mine

We invite you to come visit the rescue site where you can walk right up to the rescue shaft where the miners emerged from the dark, cold mine 240 feet below after 77 hours of frigid darkness. You will be greeted by the 7-foot-tall bronze statue of a coal miner at the top of the walkway into the rescue site. Hear the story of the miracle from people personally involved in the rescue. Touch the rescue capsule and try to imagine how it would feel to squeeze into it with your strength nearly gone.

This has a \$7.00 fee to enter the visitors center all money is used to expand the center. The Visitors center has a film of the farmer describing the day's events from the first person that was doing surveying on his property to locate the shaft till the end when all 9 were rescued. There is also recorded voices of the miners when they hit water.
